COLLECTING THE OLYMPICS

Help MOV build a strong Vancouver 2010 collection by procuring material that relates to the *unofficial responses to the Olympics - both the enthusiastically positive and the critical.*

Keep your eye out for flyers, banners, buttons, hats and other objects of potential significance. If you are able to collect an example, carefully attach a note stating its provenance (where, when, who & why).

Post-Games, contact us at 604.730.5312 or [email](#) with a description of your artefacts. MOV reserves the right to determine which artefacts are accepted into the collection. Flickr Photo: [Duncan Rawlinson](#)

"Really enjoyable!!! I don't know if I support or reject taxidermy, but at least I'm asking the question."
